

PROGRAMME

Virtual Roundtable Debate on Patient Safety in Europe

Pathways for fostering patient safety across Europe: Learning from regional success stories

Welcome and introductory remarks (11:00 – 11:10)
MEP Ujhelyi and Dr. Neda Milevska-Kostova (moderator – IAPO)

Panel discussion (11:10 – 12:00)

Patient safety in Europe: the state of play

Dr Dominique Monnet, ECDC

Sharing success stories from Europe's regions

Case 1 – Hygiene in Healthcare Settings (Ferrara University)

Case 2 – Impact of Information Technologies on Medication Safety (University of Geneva)

Case 3 – Topic TBC (European Union of Private Hospitals)

(each of the speakers will have 7-10 minutes to present their respective case study)

Discussion with commentators from EU bodies and OECD

OECD: focus on Patient safety and public health spending (TBC)

Mr. Jean-Luc Vanraes, Committee of the Regions

(each of the commentators will have 5 minutes for their intervention)

Q&A (12:00 – 12:20)

Participants will be invited to ask their questions to speakers. Discussion will be facilitated further through the use of functionalities for live polling and questions that are available via the RingCentral conferencing application.

Concluding remarks from the moderator or the MEP (12:20 – 12:30)
