

20TH CENTURY HISTORY

XX CENTURY HISTORY, ARCHITECTURE AND DESIGN WORKSHOP

FEBRUARY 14/23TH, 2019 | 48 HOURS

DA Dipartimento
Architettura
Ferrara

This workshop will be provided through the Department of Architecture for a maximum of 40 students **enrolled in any kind of School of the University of Ferrara** (both Italian and international students). In case of enrolment requests in excess of capacity, International students will take priority.

Knowledge of **English at B1 level or equivalent** is required (self-certification is accepted from students coming from English speaking Countries).

PROGRAM

This workshop gives a cross-reading of the fields of history, architecture and product design, throughout the exceptionally rich twentieth century:

- **History of the Twentieth century** (12 hours: Feb 14/15)
- **History of Twentieth century architecture** (16 hours: Feb 18/20)
- **History of Twentieth century product design** (16 hours: Feb 20/22)
- **Visit** to the Poltronova Research Center in Florence (4 hours: Feb 23), where students can deepen understanding of topics explained in the course.

Minimum attendance is 80% of course hours (thus 39 hours out of 48), including any potential exam conflicts for other courses during the workshop period. Classroom interviews and exercises are foreseen at the end of each module.

The complete **timetable** will be sent to all students during the enrollment procedure.

ENROLLMENT PROCEDURE

Registration will take place through the Workshop Coordinator on behalf of the Department of Architecture, who will also manage the attendance register, carry out a tutoring role and **provide a final certificate of the Course completion**.

This certificate will be sent both to the participating student, and to his/her University's educational secretariat and Department secretariat.
