WORLD BANK CONNECTED PROFESSIONAL ROLES

Understanding the roles and functions of the World Bank Group and the Bretton Woods Institutions in the current changing environment. Development, foreign policies priorities, macro-economic challenges in a fractured global system.

Paolo Martelli, a senior advisor, recently retired from the International Finance Corporation-World Bank Group now interested in investments and consultancy. He is currently board member at Bank-Fund-Staff Federal Credit Union of the World Bank Group and International Monetary Fund (IMF).
