

RESISTANCE
Raising awareness of Maritime Spatial planning importance

UAU – Upper Adriatic Underwater WORKSHOP 23 May 2023

UAU is a workshop elected in between the *European Maritime Day in My Country 2023*, supporting ocean action, awareness, and a sustainable blue economy across Europe. Together, we are making waves for our blue planet!

The event will be held online and in person, in English, on the 23rd of May 2023, at the University of Ferrara.

The topics of the events are underwater geology, marine biology, and underwater cultural heritage with a focus on forensic underwater archaeology and research.
