POST-DOC RESEARCH DAY

DEVELOPMENTS AND PROGRESS OF ONGOING PROJECTS

31 March 2026, 2:30 p.m. – 6:30 p.m.

Department of Economics and Management – University of Ferrara
Room EC5 and online

CALL FOR APPLICATIONS

The Department of Economics and Management at the University of Ferrara is pleased to promote Post-Doc Research Day, aimed at young researchers, doctoral students, research fellows, post-docs and scholars in the early stages of their academic careers.

The Research Day aims to provide an informal, open and interdisciplinary forum for the presentation and discussion of ongoing research, encouraging the exchange of ideas, methodologies and analytical perspectives, as well as the development of work through critical and constructive dialogue.

Particular attention will be given to contributions that address current issues, emerging challenges and economic, social and institutional transformations, including through innovative perspectives and interdisciplinary approaches.

HOW TO PARTICIPATE

Interested parties are invited to send an abstract (max 300 words) containing a provisional title, research objectives, methodology and progress of the work, no later than **20 March 2026**, to the following email addresses: asia.guerrechi@unife.it and diletta.giunchedi@unife.it.
