Health insurance requirements	<p>Students from the EU/EEA countries staying temporarily in the territory of Poland are entitled to free health care on the basis of the European Health Insurance Card (EHIC) or in particular cases on the basis of a special certificate (translated into Polish by sworn translator). You shouldn't forget about insurance against accidents (EHIC is just a health insurance).</p> <p>Students from non-EU/EEA countries should buy their health accidents insurance and third party liability insurance at their home country, before arrival.
