PLACEMENT INFORMATION

Location	Candelaria, Tenerife, Canary Islands, Spain.
Start Date	September 1st 2013
Duration	A school Year, but also 6 or even 3 months would be fine.
Working hours per week	Full time
Description of activities, tasks	Basically Conversation Practice, through a number of activities we could prepare, as well as information about his/her country.
Accommodation (please select)	There are apartments in the area, and there would be no problem in helping the student finding a convenient accommodation.
Details of financial and "in kind" support to be provided	There is no school meal service –just a bar for a snack-, although just outside the school there's a bar offering cheap home cooking. As for transport, there is a school service, although I'm not sure whether there are seats available on the bus. Anyway, there is public transport, and teachers living in the area who I'm sure would be glad to pick up the student and take him/her to school.

Other	Candelaria is located by the sea and there are several beaches that can be enjoyed almost all the year, due to the warm weather. There is also a Commercial Center with multiplex. The capital city, Sta. Cruz de Tenerife is just 20 km. Away and there is frequent bus service.
<b>COMPETENCES, SKILLS and EXPERIENCE REQUIREMENTS</b>	
Languages and level of competence required	Taking into account the European Framework of Reference for Languages, the minimum level required for english would be B1. As for Spanish it would be interesting to have an A1 level, although it's not a must.
Computer skills and level of skills required	What we can expect on an average european student. We have white-boards in almost all classrooms, so it will come handy having experience about it.
Drivers license	Not necessary, although it might be useful.
Other	We would be interested in a student from Ireland, Britain or the Scanadinavian Countries. Enthusias, sociability and a good attitude, as well as a knowledge of Spanish will be appreciated.
