Duration	Three months- one academic year.
Working hours per week	16 hours (it will be agreed with the student)
Description of activities,tasks	His/ her tasks will be focused on improving communication and oral skills with our students. We want our students to have a direct contact with the second language (English if possible) in the daily activities at school. We believe that the use of English as the means of communication in the classroom is the most efficient and effective way to learn a language. We think that it is important to develop activities that encourage multilingual identity. We also want the Erasmus student to teach us details and everything concerning the history, culture and traditions in his or her country. The Erasmus student will be fully integrated with all the staff in our school. He/ she can develop materials and tasks with other

	teachers and he/she will never be alone in his/ her activities.
