PROFESSIONAL EXPERIENCE

Partnerships & Fundraising Support

Conservation Collective · Remote / May 2025 - Present

Conservation Collective is a global network of philanthropic funds promoting local conservation and restoration initiatives for marine and terrestrial ecosystems. Supporting the Tuscany Environment Foundation's mission to protect regional biodiversity through fundraising, donor engagement and network development.

Financial Advisor

Intesa Sanpaolo · Ancona, Italy / Dec 2024 - Jun 2025

Italy's leading banking group, with 13.9 million customers and a network of over 2,800 branches. Supported client relations and gained experience in financial consulting and product advisory.

Coordinator | Green Culture Project

Fondazione Santagata for the Economics of Culture · Turin, Italy / Sep 2024 - Jun 2025

Capacity-building program funded by the Italian Ministry of Culture and the European Union to support cultural institutions in their ecological transition. Participated in a 10-month design-led process to develop tailored sustainability strategies and operational plans.

Peer Tutor

University of Ferrara · Ferrara, Italy / Nov 2023 - Mar 2024

Tutoring - Department of Economics and Management (200 hours). Provided academic support to students and collaborated with inclusion offices to improve accessibility.

Projects and Communications Assistant

CO₂ Value Europe · Brussels, Belgium / Nov 2022 - Nov 2023

CVE is the association representing the carbon capture and utilization community in Europe.

- Contributed to the development of EU-funded projects (TAKE-OFF, INITIATE, VIVALDI, CO2SMOS)
- Supported communication and dissemination strategies for EU and global outreach
- Organized CVE flagship event in Barcelona, hosting 90+ members to discuss CCU advancements

Program Assistant

IES Abroad · Siena, Italy / Jan 2022 - Aug 2022

IES Abroad is an organization that administers study abroad programs for American college students. Facilitated cultural immersion by coordinating extracurricular activities and supporting 40+ students in adapting to Italian language and culture.

Stakeholder Engagement Intern

UN Climate Change · Bonn, Germany / Oct 2021 - Mar 2022

The Paris Committee on Capacity-Building is a UNFCCC body established in 2015 as part of the Paris Agreement.

- Contributed remotely to the 3rd Capacity-Building Hub at COP26, supporting the organization and documentation of six thematic days with over 250 experts from 190 institutions.
- Supported coordination for the PCCB Network, engaging 120+ members.
- Organized high-level stakeholder meetings, managed datasets and developed outreach materials.

Research Intern

Municipality of Bologna · Bologna, Italy / Apr 2021 - July 2021

Fondazione Innovazione Urbana is a multidisciplinary hub for urban transformations.

- Co-authored a report on the regeneration of Bologna's Saragozza district through data analysis and participatory research.
- Drafted articles for Bologna Missione Clima, the city's initiative to achieve climate neutrality by 2030 under the EU Cities Mission.

EDUCATION

Master of Science - MSc, Green Economy and Sustainable Transitions

University of Ferrara · Ferrara, Italy

- Entirely taught in English

Master, Environmental Law

Ca' Foscari University of Venice · Venice, Italy

Pursued this program to explore how law can drive systemic change. My research focused on climate litigation.

Annual Course

Scuola di Politiche · Rome, Italy

Selected as one of 100 students nationwide.

Bachelor of Arts - BA, Political, Social and International Sciences

Alma Mater Studiorum - University of Bologna · Bologna, Italy

- Selected for one of thirty merit-based positions in the PIL curriculum
- Erasmus+, Jagiellonian University · Kraków, Poland
- Received a merit mention for civic engagement and active citizenship (a.y. 2020/21)
