[Refrain in posizione iniziale (x), fornisce anche il title hook ("over the rainbow")]

Somewhere over the rainbow way up high x A1
There's a land that I heard of once in a lullaby

Somewhere over the rainbow skies are blue x A2
And the dreams that you dare to dream really do come true

Someday I'll wish upon a star B₀ (title hook *non presente*)
And wake up where the clouds are far
Behind me
Where troubles melt like lemon drops
Away above the chimney tops
That's where you'll find me

Somewhere over the rainbow bluebirds fly x A3
Birds fly over the rainbow. Why then, oh, why can't I?

If happy little bluebirds fly beyond the rainbow, Coda
Why, o why can't I?
