Art. 1

Purposes of the announcement and general rules

The University of Ferrara announces an open competition based on academic qualifications and examinations for the admission to the following Research Doctorate courses – XXXVII Cycle, academic year 2021/22:

1. **European Union Law and National Legal Systems**
2. **Economics and Management of Innovation and Sustainability (EMIS)**
(in cooperation with the University of Parma)
3. **Physics**
(in cooperation with National Institute for Nuclear Physics – INFN; Polish Academy of Sciences - IFJ PAN – Krakow – PL and with University of Science and Technology China - USTC)
4. **Molecular Medicine**
5. **Translational Neuroscience and Neurotechnologies**
(in cooperation with Istituto Italiano di Tecnologie – IIT)
6. **Biomedical Sciences and Biotechnology**
7. **Chemistry**
(in cooperation with Polish Academy – Department of Chemistry – University of Wroclaw – PL)
8. **Engineering Science**
9. **Humanities**
(in cooperation with Pontificia Universidade Catolica do Paraná PUCPR – Brasile)
10. **Environmental Sustainability and Wellbeing**
(in cooperation with Western Sydney University - AUS)
11. **Advanced Therapies and Experimental Pharmacology**

proceedings already complied will be void.

The Research Doctorate courses are three years in length and will start on November 1st, 2021.

For each of the aforementioned courses, research topics, available places, admission requirements and specific information concerning the selection and evaluation criteria pertaining to the creation of the ranking tables, are listed in the attached description sheets, and are an integral part of this announcement.

Available places will be assigned according to the ranking lists mentioned in art. 9 of this announcement.

Applicants holding a degree awarded by a foreign institution, including those holding fellowships or other kind of financial support, will participate to the selection at the same conditions as all other applicants; reserved positions indicated in art. 7 below, will be listed in each course description sheet.

The selections schedule will be decided by the Board of Professors of each doctoral course within the deadline of the announcement and shall be notified promptly and published at the following web page: <http://www.unife.it/studenti/dottorato/concorsi/commissioni>.

Scholarships, training contracts, and any other forms of financial support from research funds or other University resources, including research grants, as well as the number of available places will be increased

based on the funding availability deriving from public and private entities. These additional places will be published before the expiration date of this announcement.

Failure to conclude agreements with external organizations for the financing of scholarships and / or other equivalent forms of research support, even if mentioned in the announcement, reduces the total number of ordinary places.

This announcement has to be considered an official notification.

Any changes and integrations will be published **exclusively** on the website:
<http://www.unife.it/studenti/dottorato/it/concorsi/selection>.

Applicants failing to comply with the requirements stated in this announcement will be excluded from the selection.

All communications with applicants concerning this announcement will occur via e-mail. For this purpose, the University of Ferrara will use the e-mail address given by the applicant during the registration process, as illustrated in the following art. 4.

The University Administration takes no responsibility in the event of loss of communications due to errors in the address or e-mail provided by the applicant, by failure or late notification of address changings, or for any postal or telecommunication errors not attributable to the Administration.

This announcement is available in Italian and English in accordance with Italian laws and regulations on Ph.D. qualifications, and the University of Ferrara's regulations in matter of Ph.D. Courses.

Art. 2.
Admission Requirements

Applicants, without any limitation of age nor citizenship, must hold one of the following qualifications before this announcement deadline:

- a) An Italian degree known as "Laurea specialistica/magistrale" or a degree awarded prior to approval of Ministerial Decree D.M. n. 509 of 3 November 1999, updated with D.M. n. 270 of 22 October 2004, n. 270;
- b) Master (second level) degree;
- c) An equivalent foreign academic qualification awarded abroad considered equivalent to the Italian degree in terms of duration, level and area of study, which allows the holder to undertake Ph.D. studies.

Candidates who will achieve the necessary requirements for accessing the doctorate within **October 31st 2021** are also accepted. Should this be the case, applicants must inform IUSS Office via e-mail at dottorato@unife.it by November 1st 2021, sending a declaration with the specifics of the degree and the degree achieved.

Additional requirements or specific qualifications will be listed in the attached description sheets, forming an integral part of this announcement.

All candidates are admitted to the selection procedure, under condition that their applications are verified according to the correspondence with the requirements set out in this announcement, in line with art. 43 of DPR n. 445 of 28 December 2000. The University may, at any time during the proceedings, even after the start of doctoral courses, carry out checks about the truthfulness of the declarations and request the submission of original documents.

The University may, at any time and by order of the Rector, exclude candidates who do not meet the admission requirements from the selection process.

Those already enrolled on the same doctoral Course cannot apply for admission.

Art. 3
Degrees awarded by foreign Universities

The eligibility of a degree awarded by a foreign university, for the sole purpose of the admission to the doctorate, will be decided by the Selection Committee in accordance with Italian Law and that of the country in which the degree has been awarded, and in accordance with international treaties and agreements regarding the proof of recognition of qualifications.

The submission of online applications automatically implies the recognition of the eligibility of the degree awarded abroad. Applicants should therefore attach to their application the following documents:

- a) Certificate or transcript containing a full academic record of the candidate's career, including marks from all years. EU citizens may submit a self-declaration certifying the possession of an academic qualification, according to DPR n. 445/2000 and subsequent amendments and additions;

b) In the case where the aforementioned document is not in Italian or English, the applicant must provide a certified translation of it;

c) Any other document that could be useful to the Selection Committee for the evaluation of the candidate's degree. (Diploma Supplement, for candidates holding a degree awarded in an EU country, such as; "Dichiarazione di Valore in loco" (declaration of value), issued by the Italian Authorities in the Country in which the degree was awarded, for applicants holding a degree awarded in a NON EU country; etc.).

Art. 4 **Selection Application Form**

The application form for admission to the selection procedure, including all mandatory documentation, must be drawn up and sent, under penalty of exclusion, **by July 23, 2021 – at 11:59 pm (Italian time)** using the appropriate online procedure, available at the following link: <https://pica.cineca.it/unife/>

You can find all information for registration and access to the procedure at the links:

<https://pica.cineca.it/unife/dottorati37>

<http://www.unife.it/studenti/dottorato/ordinario> - Istruzioni di compilazione "Help_37.pdf"

You can access the procedure for submitting the admission application also using SPID (Public Digital Identity System. This procedure is available only for candidates already living in Italy). You can do so by choosing the University of Ferrara from the page of the available federations.

The application is completed by entering the requested information and enclosing the documents indicated in the form regarding the course each candidate is interested in.

Files must be in pdf-Adobe format only: maximum size 30 Mb for each attachment.

Files must be named with the candidate's number, surname, name, file name. For example: 1_surname_name_curriculum.pdf. Should there be files with more pages, add a number at the end, i.e.: 1_surname_name_curriculum_2.pdf

The application must contain the candidate's personal data, the residence, phone number, e-mail address, and the citizenship.

For all legal purposes the application is to be considered as a self-certification, pursuant to article no. 46 and 47 of the Italian Presidential Decree 445/2000 and subsequent amendments, for all the data contained in the application and in all the enclosed documents.

Candidates who intend to apply for the specific positions listed below must select the type of position and/or the type of fellowship for specific research topics in their application:

- Positions reserved for company employees, who are engaged in highly qualified activities (industrial doctorates);
- Positions with high-apprenticeship contracts;
- Positions reserved for Public bodies employees, who are engaged in highly qualified activities and who will keep their salary;
- Fellowships for a specific research topic. These topics are duly explained in the attached forms, which are an integral part of this announcement.

Candidates who request to compete for scholarships for a specific research topic are NOT precluded from applying to the ordinary scholarship positions.

Once the application has been completed and submitted, candidates will receive an email to confirm the submission process finished and they will receive an identification code, which is essential for any communication with CINECA and the IUSS Office.

It is the candidates' responsibility to verify the correct procedure conclusion. Complaints will not be accepted for any malfunctions of the computer system due to overloads near the deadline.

Applications that at 11:59 pm (Italian hour) on July 23, 2021 are incomplete in the compilation and/or in the mandatory attachments will be excluded.

In no case additions to the documentation will be accepted after the deadline for the call.

Candidates wishing to participate in the competition for more than one doctoral course must submit an application for each course and attach the required documentation for each application.

Candidates are invited to complete the application for participating in the competition well in advance of the deadline for participating in the competition.

Art. 5 **Support for candidates with disabilities or with specific learning difficulties (SLD)**

According to law n. 104/1992 and subsequent modifications, candidates with disabilities can outline their particular needs, which will be taken into account when organising the test. Candidates are requested to complete the "Assistance/Extra Time" section, indicating the aids required for carrying out the test and

attaching either the certificate of disability or a valid certification pursuant to the Italian Law no. 104 of 1992, which has to be issued by the local competent medical commission.

Pursuant to the Italian law no. 170/2010 and the Ministerial Decree no. 5669, dated July 12 2011, candidates with a diagnosis of Specific Learning Disorder (SLD) can report their needs by filling-in the appropriate section "Aids/Additional time". They have to declare the aids required or carrying out the tests.

Italian candidates must enclose a certificate that testifies the SLD diagnosis. The certificate must be issued by an Italian National Health Care System Office or by a specialist MD or an accredited body at the candidate's Italian Region. Certificate must be valid and in .pdf format

Once the application registration procedure is completed, candidates must open a ticket on SOS (sos.unife.it) – "Servizio Disabilità e DSA" (Disability service and SLD) section – indicating the registration number assigned by the procedure, before the call deadline.

Candidates with specific learning difficulties (SpLD) residing abroad

Candidates with disabilities or SLD, who are resident in foreign countries and intend to use the aids or the compensatory measures, must submit – according to the above described procedures – a certificate of their disability or SLD status. Certificates must be issued in the country where they are resident, and they must add a certificate legal translation in Italian or English.

Requests evaluation and supporting measures for Candidates with Specific Learning Difficulties (SLD)

All candidates' requests will be considered accepted with reserve and will be evaluated by the Deputy Rector Delegate for disabilities; by the Examination Commission President; by the Inclusion Policies Coordination – Disability and SLD Service, after possibly having received the opinion of experts in the field of disability and SLD.

It will be up to the Disabilities Service Office to communicate, before the test, to the requesting candidates the kind of granted supporting measures.

The University of Ferrara reserves the right not to grant such supporting measures in case of lack of information, expired documents or documents given after the application deadline.

Art. 6 Admission procedure

Selection procedures are shown in each enclosed description sheet, which form an integral part of this announcement and are published on the following web page:
<http://www.unife.it/studenti/dottorato/it/concorsi/selection> .

The evaluation of qualifications and the interview will be held in September.

Before the notice deadline, a timetable regarding the selection will be published at the following web page:
<http://www.unife.it/studenti/dottorato/concorsi/commissioni>.

The timetable regarding the selection has to be considered as an official notification.

Candidates will not receive any personal notice about the selection procedures.

Applicants do not have to attend the meetings regarding the evaluation of qualifications.

The evaluation committee has a total of 80 points at its disposal.

Evaluation criteria, including the minimum requirements for admittance to the interview, are outlined in each description sheet.

The evaluation of qualifications results and the admission to the interview will be published on the web page: <http://www.unife.it/studenti/dottorato/it/concorsi/selection>

For candidates positively evaluated and admitted to the oral test, this will be conducted online via audio and video conference (e.g.: GoToMeeting, Skype, or similar platforms).

To this end, candidates must provide in the application form a personal contact, and guarantee the use of a webcam, in order to allow the selection board to identify them.

For identification purposes, and under penalty of exclusion from the selection procedure, each candidate is required, before the interview begins, to produce the same identity document that the candidate sent as attachment to the application.

Oral tests can be carried out in a language other than Italian, only and exclusively if established in the information-form related to the chosen doctoral course.

Oral tests are public.

Each judging committee will provide the oral tests calendar, which will be published at the following link: <http://www.unife.it/studenti/dottorato/it/concorsi/ordinario>

Failing to communicate the personal address, the failure to connect, the candidate's unavailability on the established date and hour, or the failure to produce a valid identification document pursuant to the previous paragraph, are causes of exclusion from the selective procedure.

The University of Ferrara declines any responsibility for eventual technical reasons that may prevent the regular conduct of the oral test.

In order to be admitted to the research doctorate course, the applicant must obtain a final score of at least 60 points. The final score is the sum of the points given during the assessment of qualifications and the interview.

In the case of scholarships concerning a specific research topic, the examiners will evaluate the suitability of the candidate to enter the doctoral course, together with the suitability of the candidate for the specific research theme.

Art. 7

Positions reserved for graduates from foreign universities, foreign scholarship holders or students included in International Mobility projects, Development Cooperation projects

Candidates with foreign qualifications, including those involved in international mobility programmes and foreign scholarship holders can apply for positions reserved specifically for them if allowed in the Ph.D. courses description sheets.

These potential reserved positions will be expressed in the specific Ph.D. Course description sheets, which are an integral part of this announcement and are published on the web page <http://www.unife.it/studenti/dottorato/it/concorsi/selection>.

Positions reserved for candidates with foreign qualifications could be both with or without a scholarship or other equivalent forms of financial support.

Candidates wishing to apply for these reserved places must adhere to the following conditions when enrolling via the on-line procedure available on the webpage:

<https://pica.cineca.it/unife/dottorati37/>

- **Candidates with foreign qualifications:** in addition to the requirements of the Ph.D. description sheets, applicants must refer to the information given in art.3 of this notice;
- **International scholarship holders:** in addition to the requirements of the Ph.D. description sheets, candidates must attach a document certifying the scholarship awarded by the foreign country, or a copy of the application sent to the authority responsible for the awarding of the scholarships;
- **Candidates involved in international mobility projects:** in addition to what is specified in the Ph.D. description sheets, candidates must attach a document certifying details of the grant or scholarship provided within the international mobility project;
- **Development Cooperation projects – grant holders:** in addition to what is specified in the Ph.D. description sheets, candidates must attach an acceptance letter issued by the institution cooperating in the project.

Candidates wishing to apply for positions reserved for international scholarship holders or scholarship holders involved in international mobility projects must provide evidence of such award within the deadline set on March, 30th 2022. This documentation must be sent to IUSS Office (dottorato@unife.it) by that date, or the candidate will be excluded from the Ph.D. Course.

For reserved positions, the Selection Committee will draft a specific ranking list, divided according to the types of positions. If there are no suitable applicants, positions reserved for candidates with foreign qualifications might be reassigned to other candidates.

If there are no suitable applicants, positions reserved for international scholarship holders and candidates involved in International Mobility projects that remain vacant, **cannot be given to other candidates.**

Art. 8

Selection committee

The Selection Committee is appointed by the Rector and is composed according to Art. 14 of the Regulation of Research Doctorates of the University of Ferrara issued in accordance with D.M. 45/2013.

The structure of all selection committees will be published before the announcement deadline on the web page: <http://www.unife.it/studenti/dottorato/concorsi/commissioni>.

The Selection Committees will not send any personal communication to the candidates regarding the evaluation results: it is upon Candidates' responsibility to verify the results as described in art. 6 and 9 of this announcement.

Art. 9 **Ranking list**

After the approval of the competition proceedings, the ranking lists will be available online at the following web page: <http://www.unife.it/studenti/dottorato/it/concorsi/selection> .

Publication of the ranking list will be the only official means of communication of the results, therefore **NO PERSONAL COMMUNICATION WILL BE SENT TO ADMITTED CANDIDATES.**

If a Candidate is eligible in more than one ranking list, he/she must choose only one course of study. The choice of Ph.D. Course made during the enrolment is considered definitive and it is not possible to make any changes.

Art. 10 **Course Admission**

Candidates are admitted to the Doctoral Course after the approval of the selection proceedings, according to the order of the respective ranking list, until the number of positions included in the competition announcement is completed.

Candidates are admitted according to the points scored in the final ranking list, until the end of the number of positions stipulated in the announcement.

The deadline for enrolments is **October 22nd, 2021 – h. 11.30 a.m. (Italian time)**.

If the enrolment procedure is not completed **within the deadline**, the admission to the Doctoral Course is forfeited.

In the event of equal marks, other criteria will be taken into consideration and applied:

- for positions covered by scholarships - evaluation of economic income prevails (refer to the Italian procedure called ISEE);
- For positions not covered by scholarships - the youngest candidate will prevail.

For the reserved positions, the examination Committee will make a separate ranking list, depending on the types of reserved positions.

If a candidate is successfully included in different ranking lists, he/she must choose only one Doctoral Course.

In the case where a suitable candidate renounces within a month of the beginning of the first year, this position becomes vacant and will be assigned to those applicants who have a place in the ranking list considering, if necessary, the specific field of research associated with the scholarship.

Art. 11 **Course Enrolment**

Winning candidates must enrol via online procedure, following the enrolment instructions for winning candidates that will be available on the web page: <http://www.unife.it/studenti/dottorato/concorsi>.

The deadline for enrolments is **October 22nd, 2021 – h. 11.30 a.m. (Italian time)**.
No other enrolment method other than the one indicated will be accepted.

The enrolment application will be considered completed only after submission of all the documents listed in the enrolment guide.

Art.12 **Replacements**

Eligible Candidates that cannot enrol to the Course may state their interest in covering any places that may not be taken by eligible candidates by filling in the **REPLACEMENT FORM** and sending it via email to dottorato@unife.it, **within October 22nd, 2021, h. 11.30 (Italian time)**.

The replacement form is downloadable at this [link](#).

Those who do not comply with the replacement procedure will not be admitted to the reserved list.

Anyone entitled to take over will receive appropriate communication regarding the possibility and terms of enrollment by the IUSS Office.

Art. 13 Scholarships

The annual gross amount of the scholarship is € 15,343.28 and is subject to National Social Security contributions. Fiscal matters regarding scholarships regulated by art. 4 Law 13th August 1984, n. 476. This amount may be different in case of specific international agreements.

The amount of the scholarship can be increased by 50% for any period spent abroad, for a maximum period of 18 months, except in the case of specific agreements for international mobility projects. The scholarship is paid in monthly-delayed instalments.

Scholarships are granted annually and may be renewed every year for the entire duration of the Course as long as the Ph.D. student passes the annual test, which is assessed by the Academic Board, according to art. 17 of the regulations about Ph.D. of the University of Ferrara, and according to the internal regulations of each course.

In case of withdrawing from the course or loss of student status within the first month of the research doctorate course, the student loses the right to receive the payment of the scholarship.

Scholarships cannot be granted in conjunction with fellowships or other grants, except for scholarships awarded by Italian or foreign institutions to support the students' research activities abroad. Students, who have already been granted a scholarship, even partially, cannot be granted a second one.

Art. 14 Enrolment Fees
