

Celebrating
10 years!

Registration & Call for papers

4 - 6 May, 2023
Annual Workshop

The interuniversity research centre SEEDS is pleased to invite you to participate and submit a research paper at the Annual Workshop, that will take place on the **4-6 May 2023 (hybrid)**.

Founded in 2012, the research center SEEDS now counts 8 Universities. In 2023 we celebrate **10 years of activities** of the center and the integration of the University of Padova, Unitelma Sapienza University, University of Chieti-Pescara "G. D'Annunzio" that brings SEEDS to **11 Universities**.

Participants are invited to present and share their research papers. Inter and multidisciplinary papers, within and beyond social sciences, that integrate and extend political economy narratives are especially welcomed.

Specifically, the focus of the workshop will be on (but not restricted to):

- Macroeconomics of sustainability and human development
- Climate change, energy and resources economics and policy
- Circular Economy models
- Environmental public policies and their evaluation
- Sustainable/Green Finance
- Environmental/Green technological change
- Sustainable production and consumption
- Artificial intelligence and the circular economy
- Environmental law & economic policy
- Behavioral economics and stated/preference techniques
- Trade and the environment
- Sector/firms studies
