Po Grande

Dal XII secolo ad oggi

Po di Copparo

Dall'età del bronzo all'età romana

Ficarolo

Rotta del XII secolo

Po di Goro

Dall'età tardo antica

Po di Volano

Massima attività
dal VI d.C. al XIV d.C.

Trigaboli

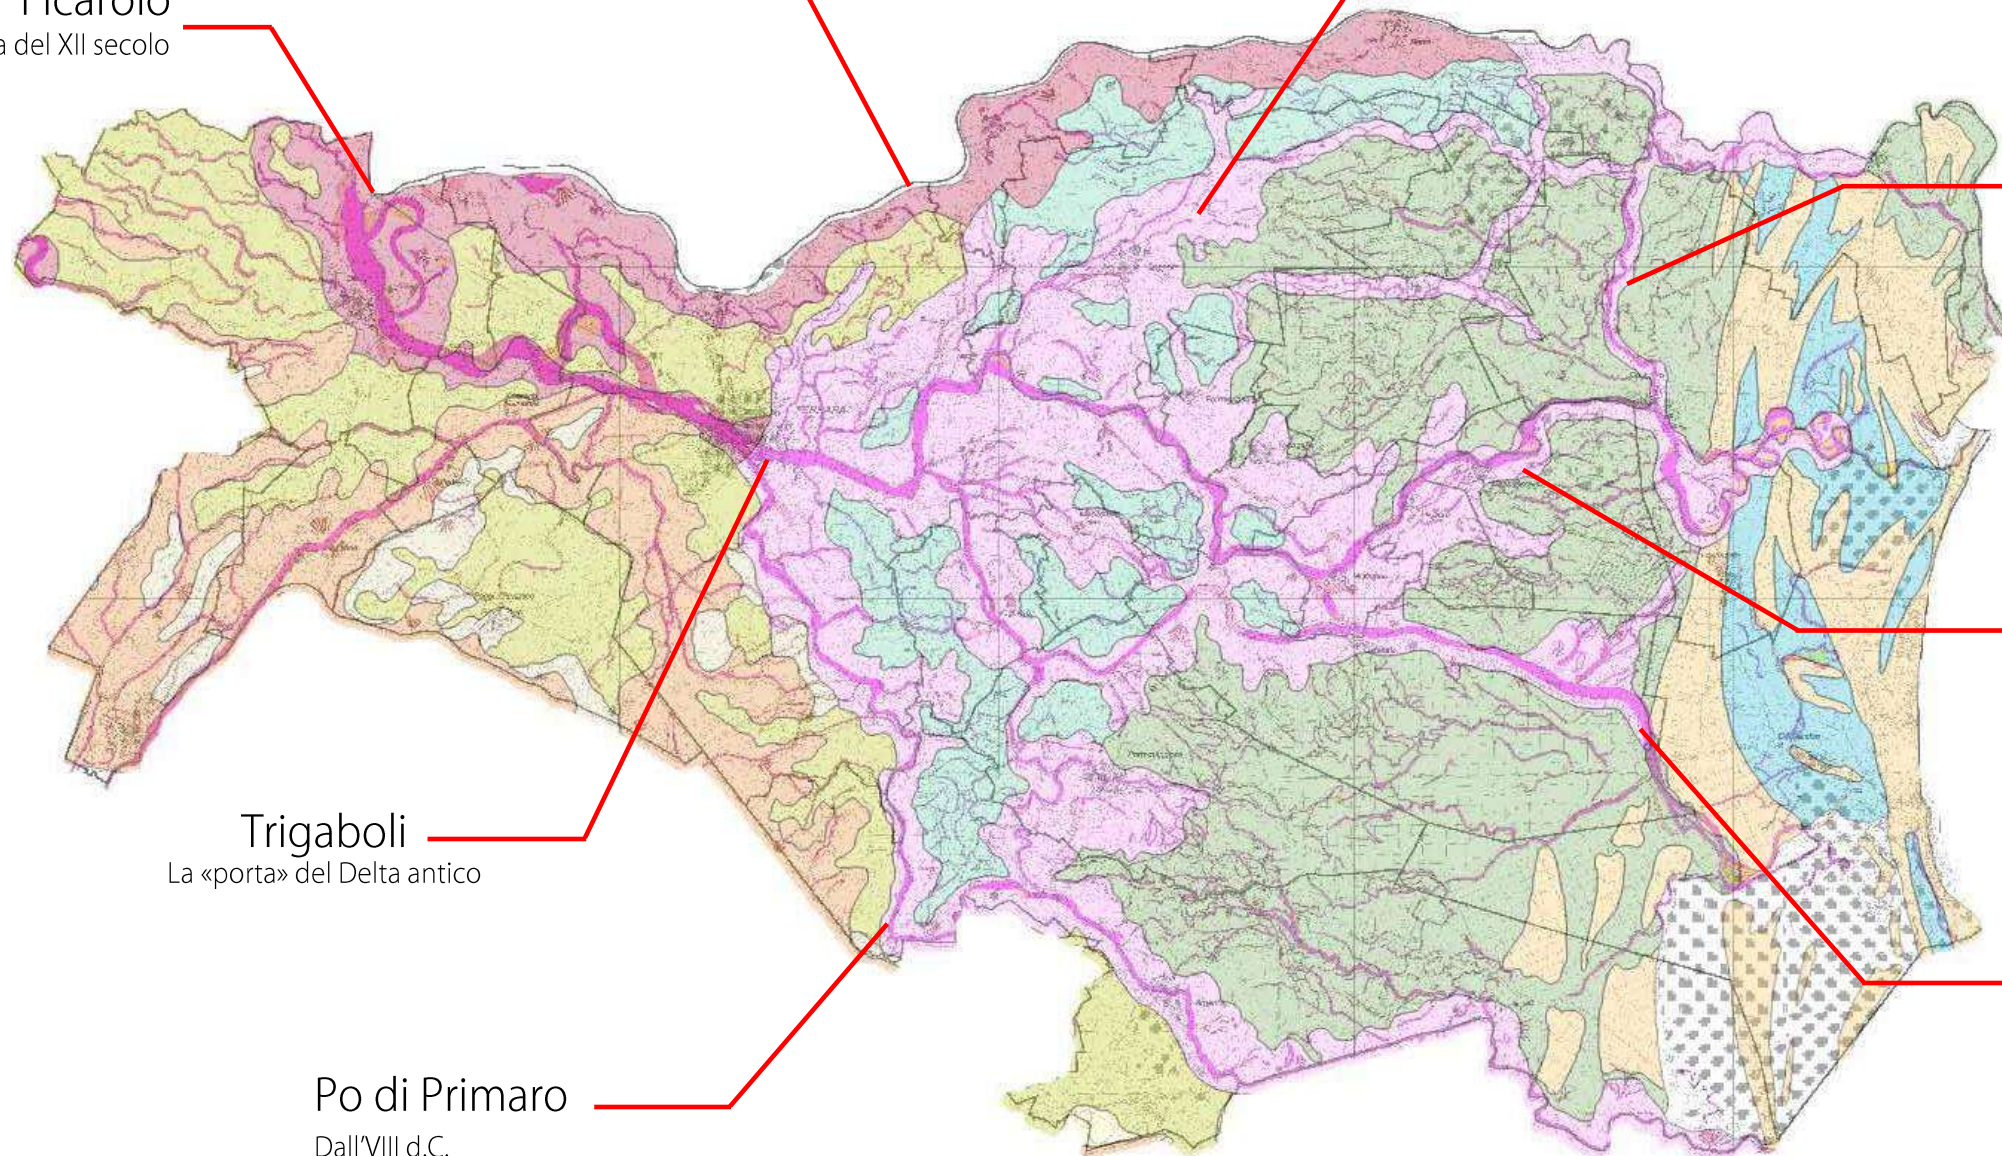

La «porta» del Delta antico

Po di Spina

Dal IX-VIII a.C. al VIII d.C.

Po di Primaro

Dall'VIII d.C.

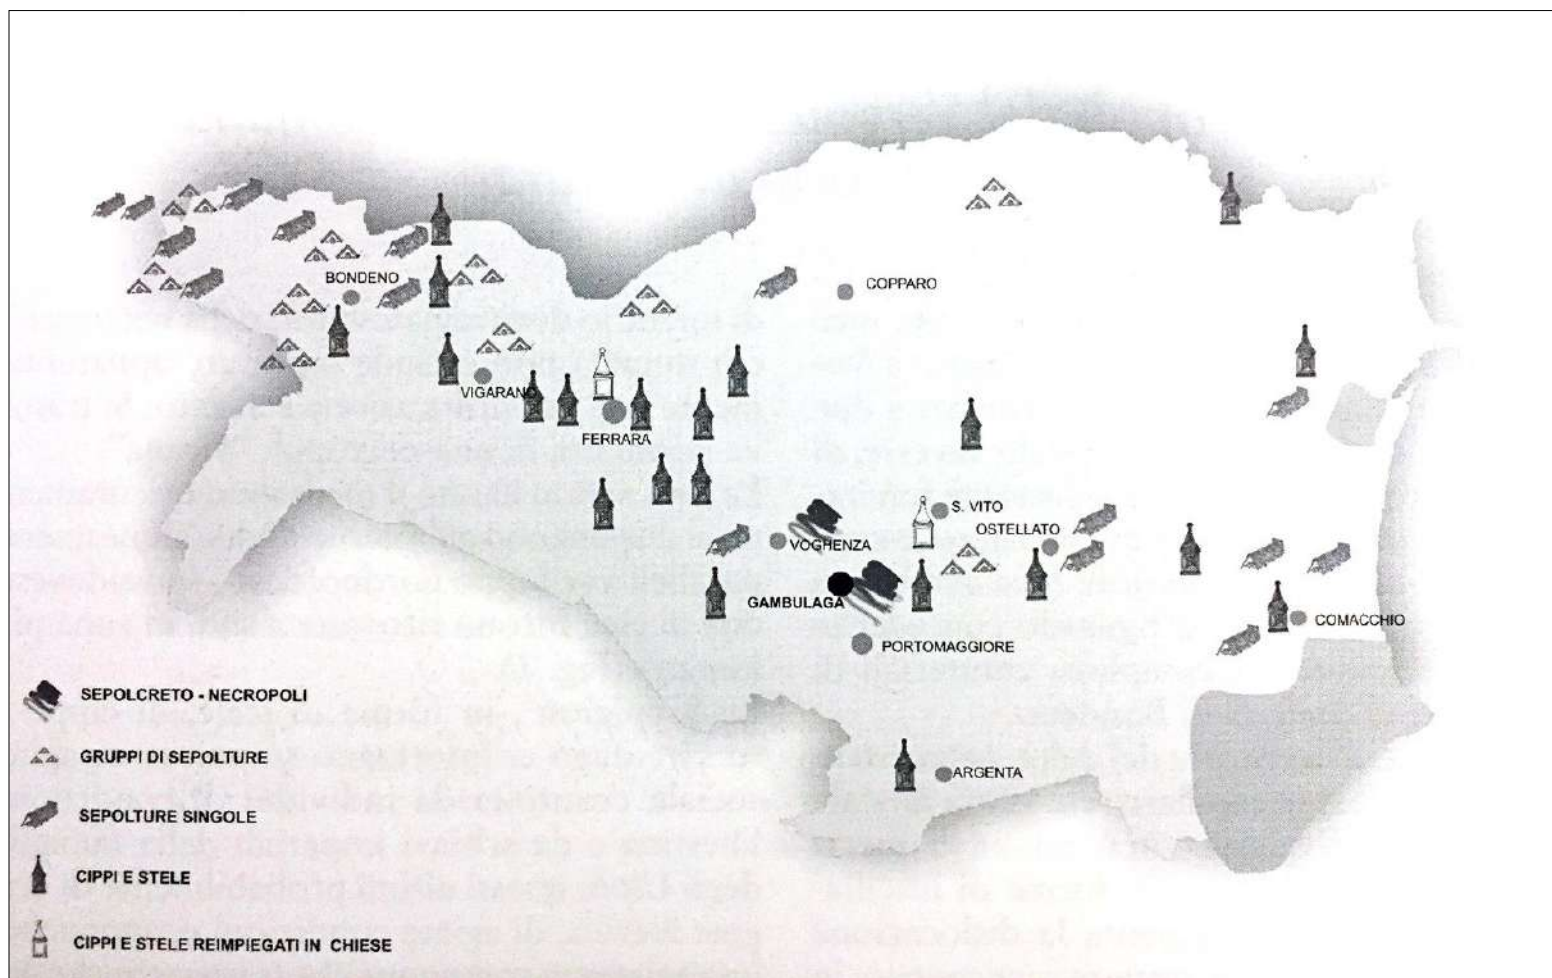

Voghenza – *Vicus Abentia*

Considerata il «capoluogo» della zona deltizia ed il centro amministrativo dei *saltii* imperiali
Abentia sembrerebbe un toponimo fluviale derivante da *Aventia* (Reno Avesa)
Attiva dal I sec. d.C. al III secolo d.C.

Carta del popolamento romano

al 2006
